Also leave expensive or electronic equipment (ipads, electronic games, cameras), money, junk food all at home. We can't take responsibility for them if they go missing. You will survive without them for a few days.

Parents please encourage your teen to speak with a leader should they have any worries during camp. Please be aware that people who are impacting negatively on others' experience may be asked to return home.

If you are over 18 and have not completed a police check in the last 3 years, please download one from our website, complete it and send it in ASAP to the camp email address. It takes time to process these so do not wait until 3 days before camp to send it.
